

Northwest Health Foundation

The Northwest Health Foundation is a non-profit charitable organization governed by a volunteer board of directors.

Our goal is to fund equipment that increases accessibility to health care in Northern Alberta.

Through your generous donations, the Northwest Health Foundation is able to purchase medical equipment for our rural communities located in Fort Vermilion, High Level, Paddle Prairie, La Crete, Rainbow Lake and Zama City.

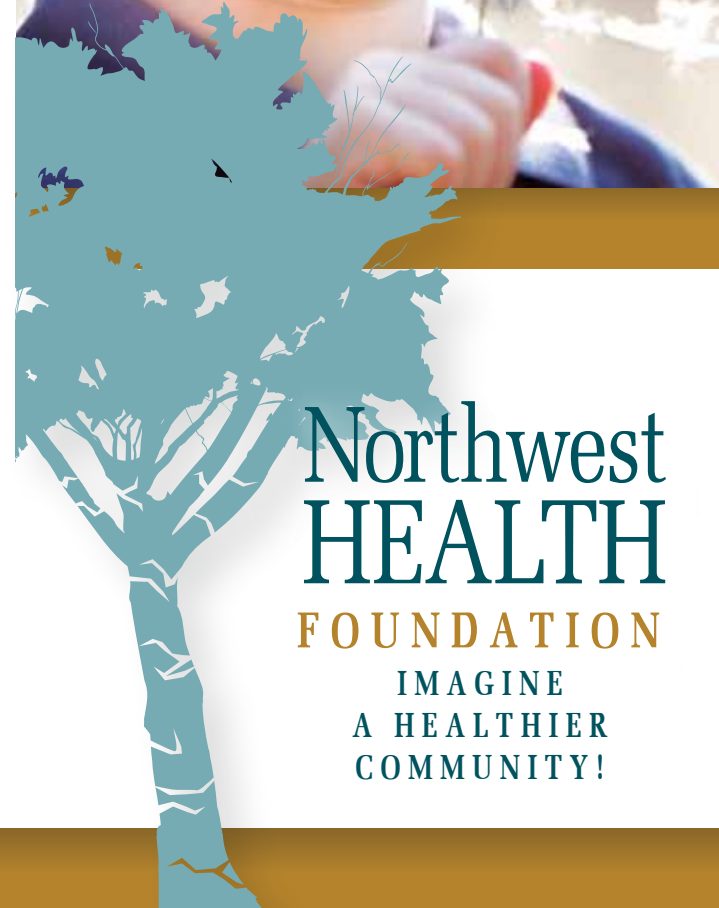

Northwest HEALTH FOUNDATION

“What people do for themselves,
dies with them...
What people do for
their community
lives on forever!”

Northwest HEALTH FOUNDATION

IMAGINE
A HEALTHIER
COMMUNITY!

Our mission:

Committed to increasing accessibility to health care services in our northern communities.

Special events:

Special events are one of the ways that the Northwest Health Foundation raises funds in order to purchase medical equipment. These events are a fun way to help us reach our goals!

How you can participate:

- Attend and support our events
- Organize and host a third-party event in support of the Foundation
- Volunteer your time
- Provide financial support. One of the best ways to help people in need is through a financial donation. Consider a one-time gift, a monthly contribution, or legacy giving.

Your Donations at Work

In the past, our communities have pulled together to fund greatly needed medical equipment for our health care facilities:

\$2,500 was given to the Primary Care Network to purchase a Toe Pressure Machine and Kit to establish circulatory status from patients with suspected cardiovascular disease, particularly significant for people with type 1 and 2 diabetes.

\$24,000 was given to the Acute Care Department to purchase an NST Machine, used to monitor both the mother and fetus during labour.

\$19,000 was raised to purchase equipment for a Cardiac Stress-Testing Clinic at the Northwest Health Centre.

To find out more info on how you can help, please call 780-841-3241 or visit our website at www.nwHealthFoundation.ca
